

Participation in Baltic States and Eastern Europe Economic Mission

Prime Minister Shinzo Abe visited the Baltic States, Bulgaria, Serbia, and Romania from 12 to 17 January 2018, and Mr. Yuichiro Motomura, President and CEO of PADECO Co., Ltd., joined this delegation in Bucharest, Romania.

Attending the Japan-Romania summit meeting on 16 January 2018, Mr. Motomura stated that “PADECO Co., Ltd. has been the lead consulting firm for the Bucharest Airport Link, which is a symbolic project for the 100-year anniversary of the Great Union of Romania. Working beyond borders is our business vision and we are proud of this achievement.”

Prime Minister Shinzo Abe stated that “We will proceed with this ODA [official development assistance] loan for the Bucharest International Airport Rail Access Link Project, and we will make this project an important part of our friendly relationship.”
